8. Examiner's Statement of Reasons for Allowance
9. Other _____.

SUPPLEMENTAL EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attorney Caleb Pollack on January 19, 2005:

I. Listing of claims

a. Please amend **Claim 1 (Currently Amended)** as follows: A method comprising: interrupting reception from a first communications system; searching for a pilot signal of receiving signals from a second communications system that operates according to a different communication standard than said first communication system; and

resuming reception from said first communications system; and
searching for a pilot signal of said second communications system by background processing at least a portion of said received signals.

b. Please amend **Claim 4 (Currently Amended)** as follows: The method according to claim 3 1 wherein said background processing comprises performing Code Division Multiple Access (CDMA) acquisition.

c. Please amend **Claim 12 (Currently Amended)** as follows: A dual mode receiver comprising: a processor to interrupt reception from a first

communications system, to receive signals from ~~search for a pilot signal of a~~ second communications system that operates according to a different communication standard than said first communication system, and to resume reception from said first communication system, and to search for a pilot signal of said second communications system by background processing at least a portion of said received signals.

AMANDA T. LE
